Letter No. 54

Date. 26/12/2008

Dear Dr. B.K.Gairola,

I would like to express my happiness to see that "The Web GIS & The GIS Based Micro-Level Planning for Nuapada District" one of the most backward district of KBK regions have been developed by GIS Division, NIC, Bhubaneswar with full support and cooperation from DIO, NIC and District Administration, Nuapada . This project is of great help and makes tasks easier and smooth for monitoring, managing and planning at all levels of the district.

I am very much impressed upon the way the GIS Division & DIO, Nuapada completed and implemented the project in the district in time. This GIS work for Nuapada district is a piece of innovative initiation and setting up an example which could be used in other KBK districts for smooth monitoring of various sectors and different schemes for an efficient administration.

I would like to recommend strongly, appreciate and congratulate the entire team comprising of Dr. (Mrs) M.Routray, Scientist-E, Head GIS Division, NIC, Bhubaneswar, Shri B.K.Samal, Scientist-C, NIC, Bhubaneswar and Shri Amit Dewangan, DIO, Nuapada involved to develop and compile this project and make it a success. I hope that the help and cooperation of NIC will continue in future.

Yours sincerely
